Correction to “Psychological distress and fair/poor health among adults with arthritis: state-specific prevalence and correlates of general health status, United States, 2007”

by **J.M. Hootman and W.Y. Cheng**, *Int J Public Health* 54, S75–S83 (2009), DOI: 10.1007/s00038-009-0010-5

In Table 1 the column headings for columns #2 and #5 should be “No.” The parenthetical information (in 1,000’s) is incorrect, the values in these columns are the actual values and should not be multiplied by 1,000.
