### Erratum to: Int J Public Health (2013) 58:501–511 DOI 10.1007/s00038-013-0450-9

We (the authors) apologise that unfortunately some of the references have been interchanged incorrectly in the text and are missing in the reference list. These errors were made by the authors in the review phase of this paper and are not the fault of the journal.

Missing references and the pages they should be referenced on:
