EVALUATION

Q 1 Please summarize the main theme of the review.

The manuscript reviews a world-class program of importance to be applied in countries with gaps in mental health care.

Q 2 Please highlight the limitations and strengths.

Information about mhGAP is not very extensive. The article covers important aspects to take into account. Integrating cultural and contextual realities is something important that must be considered in the future.

Q 3 Please provide your detailed review report to the authors, structured in major and minor comments.

Minor comments: it is suggested to include a paragraph on the importance of the implementation of the mhGAP program in the mental health policies of countries with care gaps.
